Introduce yourself; include business, Homeowner Association experience and number of years as a member of Auburndale Homeowners Association, Inc.

I'm Madi, and I live at 9793 Summit Hills Dr with my husband, 6-month-old daughter and my mom. I work in IT and have my own consulting firm. I've been volunteering for the HOA and been involved in getting dog stations installed, working towards a park for children, and more.

Reason(s) for running for the Board of Directors. Include all neighborhood interest and goals that you would like to see accomplished for the Association.

I enjoy being involved with my neighbors. I want to make sure that our money is spent wisely, that we have a board with an open ear for issues raised by residents and frequent communication between board and residents, and that we have a safe, comfortable environment for all of us.

Areas that you feel can be improved upon with the Association and Board of Directors

My priorities are: a park for children, neighborhood safety due to some recent incidents, a traffic signal for entrance/exit, and be an open listener to address issues faced by residents.

What areas could you make the greatest contribution: Architectural, financial, legal, maintenance, social, etc.

Financial, maintenance, social

Do you have any commitments that will deter you from serving on the Board of Directors? (Travel, employment, other meetings) No

By submitting this form and signing below, I acknowledge that I accept those responsibilities as described in the Governing Documents of the Association if elected. I am also aware that information provided on this questionnaire will be published in the 2023 Transition Meeting packet.
